INFORMATION DISCLOSURE STATEMENT

In compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56, Applicant(s) wish to bring the items cited in the attached Form PTO/SB/08 to the attention of the Examiner. A copy of each foreign reference is enclosed for the convenience of the Examiner.

No representation is made, and no representation is intended, that more relevant material does not exist, or that the order of presentation of this material in any way reflects the relative pertinence. The references cited are not intended to constitute an admission of any kind.

Specifically, this presentation is not an admission that the items listed in the attached Form PTO/SB/08 are properly citable against the above-identified application as prior art.

Applicant(s) consider the invention to be distinguishable over the references cited.

The listed references AC, AG, BA, BB, and BC were identified in an International Search Report issued by the European Patent Office on October 6, 2004, in connection with International Patent Application No. PCT/US2004/010122, the international counterpart of the present application. A copy of the International Search Report is also attached hereto.

Additional references were identified in a recently conducted U.S. patentability search.

As this Information Disclosure Statement is being filed before the issuance of the first office action, no fee is enclosed. However, if a fee were to be required, please charge any fee (other than an issue fee) required during the pendency of this U.S. patent application to Deposit Account No. 50-0605 of CARR LLP.

Respectfully submitted,

CARR LLP
